

DISQUALIFICATION NOTICE LETTER

Good day +5 Batang Munti,

We formally notify you that we have made a firm decision along with the events organizing committee, college dean, and marketing staffs that you are still ruled as *DISQUALIFIED*.

Given all the evidences for the three violations you have committed,

Violation of Tournament rules;

- No.7 ONLY 1 account can be used, it is required to register the account/IGN and must be used all throughout the tournament.
- No. 9 Latecomers will not be entertained to play. Incomplete teams will automatically be disqualified for that match. Teams must check-in 15 minutes before the team's scheduled match.
- No. 11 during the event, each team must gather into one place, conduct a video-conference call for each team to ensure that the game is fairly played. Meeting links will be provided.

This strongly affirms that you cannot be given any consideration into continuing to the next match. I hope this serves as a helpful moral to future competitions that you would participate to.

Thank you for joining and have a great day ahead, gamers!
